Scheme for pisciculture in the country

1325. SHRI JAGADISH JANI: Will the Minister of AGRICULTURE be pleased to state-,

(a) whether Government have taken steps for development of pisciculture in the country;

(b) if so, what are the schemes launched in different States for that purpose; and

(c) what is the achievement made in the production of fish under different schemes in Orissa during the Sixth Five Year Plan?

THE MINISTER OF STATE IN THE DEPARTMENT OF AGRICULTURE AND COOPERATION (SHRI YOGENDRA MAKWANA): (a) and (b) Some of the important schemes for development of .aquaculture in the country under Centrally Sponsored Programmes are as follows:

(i) Fish Farmers' Development Agencies Programme is under implementation in all the States except in the States of Sikkim and Meghalaya;

(ii) Setting up of Commercial Fish Seed Hatcheries in States except Manipur, Meghalaya, Nagaland and Sikkim for production of quality fish seed;

(iii) Development of Brackish-water fish/prawn farming in all the Maritime States and U.Ts. of Pondicherry and Goa, and in the States of Punjab, Haryana and Rajawhere saline ground water resource is available.

(c) Under the Fish Farmers' Development Agencies in Orissa an average productivity of 1635.5 Kgs/ha. has been obtained in water areas covered under this programme.

Under the Hatchery programme 4 hatcheries with a pieduction capacity of 82 million fish seed have been sanctioned under the IDA assisted Inland Fisheries Project during VI Five Year Plan. The construction of these hatcheries is nearing completion and these are likely to be commissioned soon.

Under Brackishwater Fish/Prawn farming scheme, three separate projects covering 474.4 ha. area of brac-kfehwater have been sanctioned. Besides, a prawn hatchery also has been sanctioned in Orissa. The construction of Brackishwater Farms and the hatchery is under progress
